

The 210th Class of Central High School

**The Reunion Committee
(856) 751-4850**

November 23, 2005

Gentlemen:

Our 65th Gala is now history. There were 48 attending from all corners of the U.S. Good friends, good food and good conversation. Everyone is looking forward to our 50th reunion in '08.

Our class scholarship fund is now over \$11,000 and growing. The goal is to grow the fund so that the annual 210 Class prize, presented at the CHS graduation will also increase in size. This past June marked the first annual presentation "To a member of the graduating class who showed evidence of all around ability in academics, class leadership, athletics and great promise for success in the future". Each year the income from our fund will be available to the recipient. We need your help to enhance our ability to continue and expand this very important project. We must continue to help the young men and women of CHS in their quest for higher education. Please contact me to participate in this project. Also your contribution is tax deductible.

Now that we have or will shortly hit that wonderful age of 65 we are confronted with important decisions – should I or should I not participate in the new Medicare Drug Benefit program? To assist in the quest for an answer take a look at the information available at <http://www.ascp.com> . Under the heading of "What's Hot" there is a paper describing "Twenty Things Medicare Beneficiaries Should Know About the Medicare Drug Benefit". In addition there are other articles that you may find helpful to better understand the issue.

Our 210 "Belated" Barnwell Award is apparently much anticipated. The first award was at the 45th reunion and the recipient was our Allan Gordon, Esq. There was anticipation that it would be awarded at the 65th. The criteria for the award being: 1) achievement beyond our graduation from CHS in 1958; and 2) underachieving at CHS and never being the recipient of a Barnwell Button (not a single button). To this end please feel free to forward your resume to be reviewed by our austere 210 – Barnwell Committee. Also we are accepting applicants for the austere Barnwell Committee – your credentials must include multiple and consecutive Barnwell Buttons as well as achievement beyond graduation.

Finally, once again we request your assistance in finding missing classmate and keeping our database up to date. It is inevitable that each year people relocate. If you do not keep us updated with your current mailing and e-mail address we will not be able to keep you informed regarding class plans.

Be well.
